Sports apparel will be the vogue and refreshments will be served. The cost will be 25 cents to all SSC Student Association members and 50 cents to all others. A Kiddie Korral will be provided.

CASABA WINNER — Miss Cecila Fava took top honors in the Queen election last week on the college campus. Appearance of Casaba Queen Set For SSC Alumni Association Fete

SSC's Casaba Queen, Cecilia Fava, will be presented to alumni and friends as a part of the Alumni Association's dinner-dance next Saturday. John Ickes, former student of the college and currently on the staff of radio station KROY, will be Master of Ceremonies for the floor show which will feature student and graduate entertainment.

Local Dance Group To Entertain

Highlighting the program will be several numbers by the Briggettes," a local dance group under the direction of Barbara Briggs, SSC alumna. Of the remaining six members of the troupe, five have attended or are attending classes on the campus. Four, Pat Allen, Norma Ecklund, Pat Jarvis, and Jane Clausen, are teaching in the Sacramento city schools. Jean Ecklund, sixth member of the troupe, taught school last year and is now working in the Registrar's Office on the campus. Barbara Huntley, youngest member of the group, is attending classes at Sacramento Junior College.

DINNER-DANCE OPEN TO ALL STUDENTS

A sell-out crowd is expected for the Sacramento State College Alumni Association's Third Annual dinner-dance according to Warren McClasky, chairman of the event. The dinner-dance, which will be semi-formal, is to be held in the Empire Room of the Hotel Senator.

Students Faculty Welcome

State College students and their friends, as well as all faculty members, are welcome, McClasky pointed out. Admission is $3.75 per person. This includes dinner, dancing, and floor show. Reservations must be made in advance at the Placement Office, Room 118, Administration Bldg.

MacDonald to Play

Donny MacDonald and his orchestra, whose slogan is "danceability plus", will provide music for dancing until 1 a. m. Mac Donald, one of SSC's early graduates and holder of an SSC M. A. degree, has been playing in the bay area. This will be the first appearance of his orchestra in Sacramento according to Chairman McClaskey.

Festivities will open at 7:30 p. m. with a cocktail hour in the Empire Room. Dinner will feature the hotel's deluxe seven course Swiss steak dinner.

Attention Alumni!

This is the last Alumni Edition of the HORNET which will be sent to members of the Association unless they have paid dues for the current year.

Membership cards and dues notices have been mailed to all of last year's members. New members will have an opportunity to join the Association at the dinner-dance.

As The Week Closes

As WSSF week closes we are beginning to see the monetary results of the plans and efforts which must always be in back of a campaign such as the World Student Service Fund drive. By far, the greatest amount of credit for this work must go to Marian Schleicher, chairman of the drive.

Bob Wyman, Diane Honodel, Comedy Team, To Perform

Since the early part of the semester, Miss Schleicher has been planning, calling meetings, attending conferences, assembling materials, writing extra publicity notices, and taking care of all of the other details which would help make this week a success. Miss Schleicher would be the first to thank all those who have helped her as well as the students, faculty, and staff who have donated to this drive. The HORNET is happy to add a second voice of thanks to hers.

Throughout the months of preparation, Miss Schleicher's outstanding topic of WSSF conversation has been "If only we can make the students realize how important this drive is to their fellow students in other lands." Perhaps the news that the students of one European country raised an almost fantastic sum for the World University Service merely by paying twice for each bottle of beer they drank put over to SSC students the idea that we are not giving something up so much as we are giving something extra.

Our something extra is not going into a fund which will spend it and finish the matter there. Through WSSF we have the knowledge that our money is really only lent for a time to students who are willing to pay back what they borrow in actual money as well as with the compound interest of their work for WUS in their country and their friendship for us in the future.

THE ROVER BOYS

By Cotton Johnson
and Bob McMahon

The Rover Boys begin today with orchids to all the SSC students who gave both their time and money to the W. U. S. drive. Also to the many students who helped the Casaba Queen candidates in the recent campaign. There was a lot of poster-making, pin and sign-wearing, and vocal "electioneering", which really added to our now rabbit-like nucleus of school spirit here at State College.

We hear the Alumni Banquet is going to be a most gala affair, in fact, their program includes seven beautiful dancing girls. Better get those tickets while they last; only 350 can attend, you know.

There is a new manual in the Hornet Bookstore for you teaching aspirants here at SSC. It is by Kinney, is titled "Measure of a Good Teacher", and sells for a quarter. We won't guarantee that it'll tell you how to become the perfect teacher in ten easy lessons, but we do assure you it'll be an asset to both you and your professional study library.

Our poor editor must have already added a few gray hairs in the month of November. Her political favorite was defeated in the recent national election while the last issue of the **Hornet** came out so late Friday is was really Monday and it was also blessed with three glaring typographical errors. Looks like she's having budget worries, too.

What do you students think about a motor caravan to one of the coming basketball games over at the Aggie gym or down at San Francisco State? If you're game for such a venture, leave word with either Mr. John E. Samara at the SSC Placement office, or the Rover Boys at the HORNET Publications office.

LETTERS

Editor of the Hornet:

I want to thank you, the students of Sacramento State College for electing me as your Casaba Queen. It will be both an honor and a pleasure to represent you as Poly-Royal Queen at California State Polytechnical College in the Spring.

I would especially like to thank the Newman Club for sponsoring me and for all their help in my campaign.

Sincerely,
Cecelia C. Fava

The HORNET congratulates Miss Fava who has already begun her Poly-Royal duties. She left for San Luis Obispo yesterday noon to pose for publicity pictures for the Poly-Royal festivities.

ALUMNOTES

By Jes

Indications are that the upcoming Dinner-dance will be the most popular event yet—and may well be the outstanding social event of the college year. Reservations are coming thick and fast and prospects of a capacity crowd are good. Better get your reservations in early.

Program Preview

President Guy West will be on hand to welcome everyone, of course, and to enjoy the festivities with us. Dr. Hal Draper, genial head of the physical science division, will be the only speaker of the evening—and he says that inasmuch as the elections are over with, he won't take more than 10 minutes to tell us about status and plans for his division on the new campus.

Ben Leafe '51, and John Smoak '51, teaching at San Juan and California Junior High respectively, are both awaiting that bugle call. Ditto Bob Wyman and Louis Schenck, also of '51.

Where They Went

Starting out in the secondary teaching field this year are the following, all of the '51 class: Glen Barrows (Folsom), Grant Carey (San Juan), Carl Coleman (Escalon), Leonard M. Davis (Grant Union), Marvin Delfendahl (Grant Union), Louie Grab (City schools), George Grimes (Esparto), Murray Haase (city), Elmo Irish (Calif. We'll have a run-down on the whereabouts of the remainder of the '51 class next month. Also the info we promised about men donning uniforms for Uncle Sam.

Directory Coming

Alumni directory of all graduates to date—a separate section of the student directory—should be available about December 15. Our portion will show graduates alphabetically, by class, with last known address and occupation (i.e. teacher, accountant, salesman). As expected, we know of at least ten or twenty changes since material was submitted for publication, so if we have it wrong, please understand.

Alumni office is preparing a more detailed analysis of all graduates—where they are, what they are doing—even how much money they're making which should be ready within the next month. Will be available on request.

LUCKIES TASTE BETTER!

They're made better to taste cleaner, fresher, smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Because Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette . . . for better taste—cleaner, fresher, smoother taste . . . Be Happy—Go Lucky!

L.S./M.F.T.'s the code
To keep in mind today—
So for a cleaner, fresher smoke
It's Luckies all the way.

I'm always glad when Mom comes up,
She brings the things I like—
Not only food and candy,
But good ol' Lucky Strike!

COLLEGE STUDENTS PREFER LUCKIES IN NATION-WIDE SURVEY!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.

HORNETS TRIM ALUMNI, 53-47 IN LID OPENER

Paced by the sharp-shooting antics of Chris Georgis, the Sacramento State basketballers opened their cage season with a comfortable 53 to 46 verdict over the SSC Alumni in a game played last Tuesday night on the local pavilion.

The contest saw the Hornetmen rocket into a second period scoring spree that lenghtened a slim first period lead into a commanding 26 to 14 halftime margin that was never relinquished.

This lead was whittled down to a three-point bulge midway in the last period due primarily to a series of successful set shots by ex-Hornets' Steen and Hurley. But a following lay-up by Tom Brian gave the Hornets an insurance tally that was instrumental in staving off a last-minute Alumni uprising, and gliding to a comfortable Hornet victory.

Georgis took Hornet scoring honors, meshing 18 points. Bob Stten with 14 points and Regis Hurley with 13 markers led Alumni scoring. Hornet Tom Brian was next in line with 10 digits.

The margin of victtory, however, can be tarced to the free-throw line wher the Hornets pumped in 21 penalty pushers, compared to the Alumni's ten.

Hornets Meet AFB Hoopmen Tuesday

Mather Field will supply the opposition for the Sacramento State College basketball team Tuesday evening at the Mather Pavilion. This will be the second game of the season for the Hornets. Tip off time will be 8 p. m.

Seek Right Combination

Coach Hal Wolf is still looking for a right combination starting five. Many of the players have missed practice sessions due to ill health, slowing up the regular procedure of the local head man. Tom Brian, center; Dick Vinci, a forward, and Chris Georgis, a guard, seem certain at the present time for starting jobs. Mike Libera and Dwight Dickey will fight it out for the other forward spot. The open guard position will be decided upon between George Goto and Joe Geyer. All are good prospects and will make it difficult for Coach Wolf to choose his opening five.

Larson a Possibility

George Larson is one athlete who could alternate with either Dick Vinci or Tom Brian. Tom Sekul, Gene Gardner and Bob Taylor make up the remainder of the Sacramento team. All should get into the game against Mather Field.

Play In December

On December 2, the Hornets will meet their first college opponent of the year in San Jose State on the local floor. This will be the last home game for local fans to witness until December 15, when the Hornets take on Cal Poly in Sacramento. The local cagers will spend a week in Oregon beginning on December 8, and continuing until the 12th. They will meet Southern Oregon College, Linfield College, Lewis and Clark, Pacific University, and Willamette University all in order while in the northern state.

Tamarack Speaker Brings Ski Movies

Tamarack Ski Club of Sacramento is again sponsoring a local appearance of John Jay, the nation's top skiing photographer.

Jay, with his 1952 production, "Olympic Victory," will be presented at the Sacramento Junior College Auditorium next Friday, November 28, at 8 p.m.

The highlights of the picture include the opening ceremonies at Oslo, Norway, four-man bobsleds, jumpers soaring 200 feet, and 19-year-old Andrea Mead Lawrence, America's first lady of ski.

Credential Seekers Registration Urged

Students who expect to complete requirements for teaching credentials by the end of this semester should register with the Placement Office as soon as possible according to John E. Samara, placement secretary.

While it is not anticipated that there will be a great many teaching vacancies at mid-year, Mr. Samara pointed out that the Placement Office would be extremely busy next semester with the registration of June graduates.

"It is expected that all elementary school candiates will be placed at mid-year. Prospects for secondary positions will not be as good," he said. For the new school year, beginning in September, Mr. Samara indicated that there should be ample opportunity for all teachers to obtain positions.

Necessary forms for registration may be obtained at the Placement Office, Room 118, Administration Building.

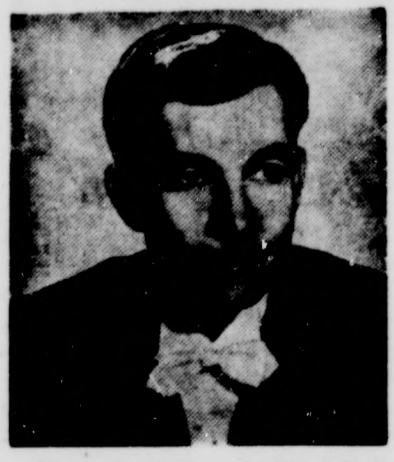

Directory Appearance Set For December 15

SSC's new directory should be ready for distribution by Dec. 15 according to Al Cayous, general chairman. The directory, which will include student, alumni, and faculty listings will be sent free to all members of Alumni Association.
